

Seattle University Blockchain Club

Est. 2021

**Mission Statement:**

To educate and bring awareness of the crypto economy to the masses.

**Officers and their Roles:**

President -

The President is the chief executive officer for the club. The primary responsibilities of this role involve the general supervision and operation of the club.

The President presides at club meetings and directs the club in meeting the members' needs for educational growth and leadership. In cooperation with the other officers, the President establishes long-term and short-term goals for the club.

Vice President -

The Vice President manages the activities that sustain and increase the number of members in the club. The primary responsibilities of this role involve marketing and some administration.

The VP plans, organizes, and implements a continuous marketing effort to ensure that club membership remains above club charter strength (6 members). This is accomplished both by retaining current members and by gaining new members.

Financial Officer -

The Treasurer manages the club's financial health. The primary responsibilities of this role involve handling the club's finances, including the collection of club dues and the payment of all bills.

Secretary -

The Secretary manages all record-keeping and correspondence. The primary responsibilities of this role involve handling administrative details and keeping the club's documents available and up-to-date.

Media Relations -

The Media Relations manages the creation and maintenance of the club's image. The primary responsibilities of this role involve both internal and external communications.

### **Decision Making Procedures:**

Board Meetings can be called by any club officer, all officers must attend and vote on the topic at hand. All votes are democratic, inclusive, and pseudo anonymous.

### **Parliamentary Authority:**

Meetings and discussions are student-led. Officers or members of the club may lead the meeting in discussing crypto ethos and its mission.

### **Non-discrimination clause:**

Seattle U Blockchain does not and shall not discriminate on the basis of race, color, religion (creed), gender, gender expression, age, national origin (ancestry), disability, marital status, sexual orientation, or military status, in any of its activities or operations. These activities include, but are not limited to, hiring and firing of staff, selection of volunteers and vendors, and provision of services. We are committed to providing an inclusive and welcoming environment for all members of our staff, clients, volunteers, subcontractors, vendors, and clients.

### **Membership:**

Membership is granted to anyone who belongs to the Seattle University community. Officers must be currently enrolled SU students.

### **Meetings:**

On the last Thursday of each month. Meetings will be 1 hour long to discuss the different areas within crypto. (Decentralized

exchanges, yield farming, governance voting, wallet safety, NFTs, and more).

Club officers must attend unless there is a conflict in class schedule or emergency.

All members are encouraged to attend but not required.

Locations: TBD

### **Objectives:**

To create a community centered around crypto for like minded individuals who share the same value propositions that crypto tries to accomplish.

### **Activities:**

Contest each month for picking the highest value riser in the crypto markets. Winner gets an award in the form of an NFT airdrop to their wallet.

### **Onboarding:**

Help others learn how to buy crypto, how to store crypto, and how to earn yield on crypto.

### **Q and A's:**

End of all meetings, or have q and a's in the beginning of meetings where questions are asked and is an informal time where any questions can be asked.

### **Disbursement of funds if organization is dissolved:**

All funds will be sent back to the SGSU to be delegated to other clubs.

### **Finance/Funding:**

SGSU disbursement of funds for club use. Collected funds would go into a dao (decentralized autonomous organization) treasury guarded by a gnosis safe multisig, with keys assigned to club members and club advisor.

**Amendments to constitution:**

⅔ of officers must agree to change the constitution in a Board meeting, where drafting of the new constitution is to take place.

**Faculty/Staff Advisor:**

TBD, process for selecting and replacing the advisor calls for a ⅔ board meeting vote to begin with the vetting process to replace/select the advisor.
